

FUTURE DREAMS

SUPPORT . AWARENESS . RESEARCH

FOR THOSE TOUCHED BY BREAST CANCER

Charity People is delighted to have partnered with the incredible team at Future Dreams to find a new Corporate Partnerships Manager to join their ambitious and creative team, and take corporate partnerships to the next level.

Future Dreams is a pioneering breast cancer charity committed to delivering psychological, practical and emotional support to those diagnosed with the disease throughout the UK. They raise awareness of the importance of early detection and diagnosis through breast health masterclasses, equipping individuals, institutions and corporates with knowledge of signs and symptoms of breast cancer. Their work also funds groundbreaking research into secondary breast cancer, pushing the boundaries of innovation in breast cancer care and prevention.

At the heart of the mission is Future Dreams House in Kings Cross, the UK's only dedicated breast cancer support centre, offering nationwide assistance both in person and online through a comprehensive programme of support services, community meet-ups and 1-2-1 sessions with specialist breast care nurses, counsellors and therapists.

Our Vision

Nobody should face breast cancer alone or without hope

Our Mission

To offer wide range of in-person and online services providing practical, emotional and psychological support for those diagnosed with breast cancer, fund vital secondary breast cancer research, and promote breast health awareness.

This permanent role is based in their incredible Future Dreams House, Kings Cross and comes with a brilliant package:

- **Salary of £40,000-45,000**
- 25 days holiday, three additional days during over Christmas and New Year and one faith day.
- Annual eye checks for all employees and annual mammograms for all employees over the age of 40
- Supportive and collaborative team environment.
- Professional development opportunities.
- Office lunch and employee wellbeing classes

About The Role

Corporate partnerships are thriving at Future Dreams, and clearly demonstrate the huge potential for growth. They are currently working with some of the world's leading brands, including Monsoon, Next, Victoria's Secret and Estee Lauder.

FUTURE DREAMS

SUPPORT . AWARENESS . RESEARCH

FOR THOSE TOUCHED BY BREAST CANCER

It is a dynamic and high-impact role focused on developing and managing corporate partnerships that support Future Dreams' mission. You will lead on identifying and engaging potential new partners, creating compelling proposals, and designing campaigns to drive corporate donations. As the primary point of contact for corporate partners, you'll build strong, lasting relationships, ensuring support is recognised and maximised through ongoing communication and tailored engagement. The role also involves negotiating sponsorship and cause-related marketing opportunities, delivering against fundraising targets, and closely monitoring partnership performance.

With a focus on innovation and doing things differently, you'll stay ahead of corporate fundraising trends and continually refine our offer to ensure growth, sustainability and long-term impact.

To apply for this role you will bring:

- A proven track record in corporate fundraising or business development, ideally within the charity sector
- Excellent communication and relationship-building skills
- Skilled negotiator with the ability to influence and inspire
- Experience leading pitches and delivering impactful presentations
- Creative and strategic thinker with a flair for proposal writing
- Highly organised and self-motivated
- Passion about Future Dreams' mission and values

If this role inspires you to make that next move in your career, and take on this wonderful role at Future Dreams please get in touch with Kevin@CharityPeople.co.uk to find out more details and request a full job pack.
